

10 TURKEYS IN THE ROAD

by Brenda Reeves Sturgis Illustrated by David Slonim

MAD FARMER CARD GAME

INSTRUCTIONS

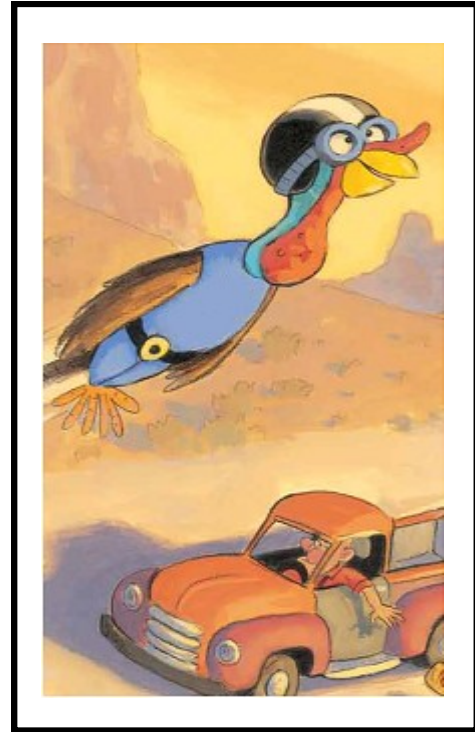

1. Print and trim two sets of all three pages of Turkey cards. Set one mad farmer card aside. (It won't be used)
2. Deal all cards out to players.
3. Each child matches the cards in their hand and lays any pairs down — FACE UP.
4. The dealer then offers their cards FACE DOWN to the person on their left who selects one card. If the card matches a turkey in their hand, the player will set the pair in front of them.
5. The child then offers their hand to the next person. This continues until all the pairs have been made.
6. The child with the most turkey pairs, but who DOESN'T have the Mad Farmer wins!
